

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

L&G Europe ex-UK Quality Dividends Equal Weight UCITS ETF

Share Class EUR Distributing ETF - ISIN: IE00BMYDM919. The Fund is a sub-fund of Legal & General UCITS ETF Plc (the "Company").
Managed by LGIM Managers (Europe) Limited, a member of the Legal & General group (the "Manager")

OBJECTIVES AND INVESTMENT POLICY

- The investment objective of the Fund is to provide exposure to companies in Europe, excluding the United Kingdom, that are weighted according to their quality characteristics and pay higher than average dividends.
- The Fund is passively managed and aims to track the performance of the FTSE Developed Europe ex-UK All Cap ex-CW ex-TC ex-REITS Dividend Growth with Quality Net Tax Index (the "Index"), before the deduction of fees and expenses.
- The Index is designed to provide exposure to companies in developed markets in Europe, excluding the United Kingdom, with higher than average dividend and quality characteristics, in accordance with its methodology.
- The Fund seeks to achieve its investment objective using an optimisation/representative sampling approach and invests in a representative selection of equity securities which, taken together, are expected to have risk and performance characteristics similar to those of the Index.
- The Fund may also invest in equity related securities and instruments that are not constituents of the Index but have similar risk and performance characteristics, and may use financial derivative instruments for efficient portfolio management or to assist in tracking the performance of the Index.
- The Fund promotes a range of environmental and social characteristics which are met by tracking the Index. Further information on how such characteristics are met by the Fund can be found in the Fund Supplement.
- This Share Class aims to pay quarterly dividends out of the Fund's net income by electronic transfer.
- Shares in this share class (the "Shares") are denominated in EUR and can be bought and sold on stock exchanges by ordinary investors using an intermediary (e.g. a stockbroker). In normal circumstances, only Authorised Participants may buy and sell Shares directly with the Company. Authorised Participants may redeem their Shares on demand in accordance with the "Dealing Timetable" published on www.lgim.com.
- The Fund's base currency is denominated in euro (EUR).

RISK AND REWARD PROFILE

- The Fund is rated 5 due to the nature of its investments and its risks. The rating is calculated based on historical data and may not be a reliable indication of the Fund's future risk profile. The risk category may shift over time. The lowest category on the above scale does not mean "risk free".
- The risk and reward indicator may not take account of the following risks of investing in the Fund:
- The Fund invests in securities valued in currencies that are different from the base currency of the Fund. Exchange rate fluctuations will

impact the value of your investment. Currency hedging techniques may be applied to reduce this impact but may not entirely eliminate it

- Third party service providers (such as counterparties entering into FDIs with the Fund or the Company's depository) may go bankrupt and fail to pay money due to the Fund or return property belonging to the Fund.
- If the Index provider stops calculating the Index or if the Fund's license to track the Index is terminated, the Fund may have to be closed.
- It may not always be possible to buy and sell Shares on a stock exchange or at prices closely reflecting the NAV.
- There is no capital guarantee or protection on the value of the Fund. Investors can lose all the capital invested in the Fund.
- Please refer to the "Risk Factors" section of the Company's Prospectus and the Fund Supplement.
